Dear Judge Thalken:

In accordance with a court order dated February 3, 2006, Mr. Layton has been committed to the Federal Detention Center, SeaTac, Washington, for a period of study to determine his mental competency.

On March 7, 2006, you approved an extension request in which the study period would end on March 31, 2006, with the final report being submitted to you no later than April 14, 2006. At this time, we must request a 15 day extension because we are still awaiting the arrival of important mental health records. If you concur, the study period would end on April 14, 2006, with the final report being submitted to you no later than April 28, 2006.
